INFO

PRILLINGER - TINE

of our own production.

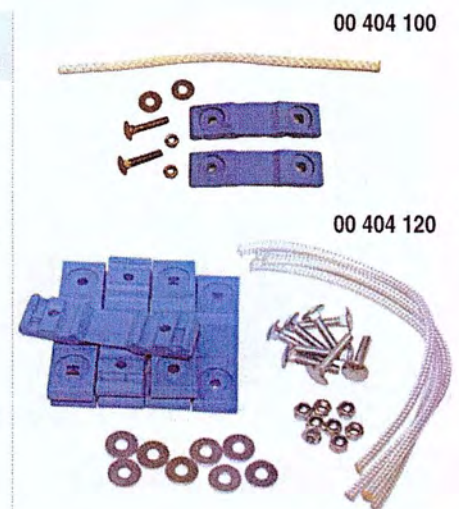

→ You are buying from the manufacturer Prillinger.

Top-quality and more durability

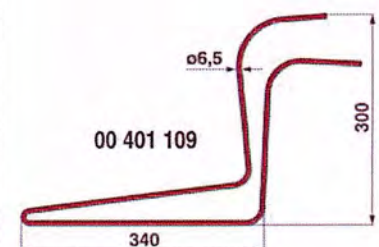

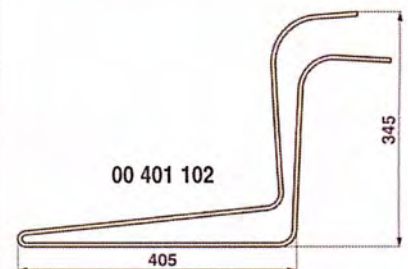

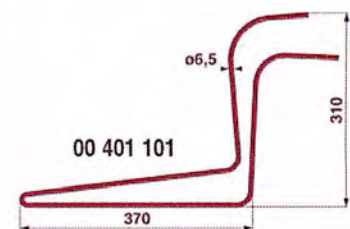

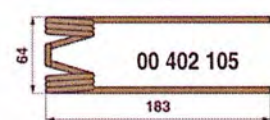

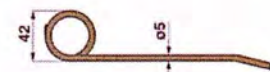

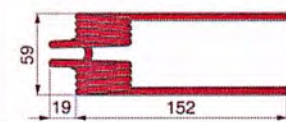

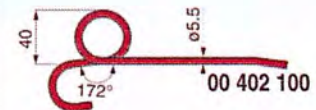

1. → **spring steel of the highest quality**
Wire of quality class C, country of origin Germany or Austria
2. → **shot-peened**
This procedure consolidates the surface and increases durability!
3. → **powder coated**
The powder coating guarantees optimum stability against climatic influence.
